Descripci??n de la propiedad:

This home offers what's increasingly rare: space to grow, live, and appreciate. With its charming California Mission style, it sits on a generous lot and features a large private pool in a tranquil back patio surrounded by privacy. The secondary bedroom enjoys a front balcony, while the main suite includes a walk-in closet and potential for expansion into a grand balcony with sweeping views. Inside, the property is ready to use right away, while also inviting a buyer with vision to refresh, expand, and adapt it to their lifestyle. Few homes combine immediate livability with long-term potential like this one. Here you don't just buy a house, you invest in a home that grows with you, in one of Riviera Nayarit's most desirable communities.
