### Property Description:

Barrio Santa Maria is one of those underrated locations that quietly makes life easier: you're just minutes from the Libramiento for quick city access, and about a 10-minute drive to Zona Romantica (depending on traffic). The neighborhood also has a true local Vallarta feel, with everyday conveniences and nearby tianguis--street markets that are a staple for food, shopping, and daily life. Lifestyle hook: Top-floor privacy, a secure building, and fast access to Vallarta's hotspots--without being stuck in the noise. And with 2 bedrooms and 1 bathroom, this condo works beautifully as a full-time residence or a high-potential rental.
