Casa Sol y Danza is a new modern home with ample natural light, an open kitchen with large prep island and open shelving. The focal point of the kitchen and living area is through large windows and sliding doors that open to a beautiful ornate pool complete with a shallow end for kids and/or just chillin' with margaritas, surrounded by a large patio and outdoor bar lounge. It has three bedrooms, 3.5 bathrooms and a flex room that could be used as a gym, office, kids playroom or AV room. There is potential to put a pergola on the roof to catch evening sunsets reflected off the mountains that border the South end of San Pancho beach. Casa Sol y Danza is a 10 minute flat walk to the beach and all San Pancho restaurants and shops.
